FOREWORD

"We are the BRAVES, and we can't be prouder." While the grammar may not be the best, the idea is certainly there. We at Blackford are proud to have the Indian BRAVE as our symbol.

The BRAVE of long ago was a part of a group, the tribe, just as we, today, are each an integral part of both Blackford High and the community. The BRAVE worked both for himself and the tribe, while still retaining his individuality, just as we strive to do now. The BRAVE participated in athletic contests, defended his tribe, and felt a fierce nationalistic pride for his group. These things, too, have been passed on to us. The Indian tribe was a closely-knit way of life, and a free one.

SAGA '64 will present a brief record of the BRAVE'S lives, centering around Blackford High, in the school year 1963-64.

Relax, and try to imagine that the spirit of the Indian BRAVE is present, now as he was in September, watching the SAGA of 1964 unfold.

DEDICATION

To a man of benevolent personality, sincere earnestness, and of unending faith in the student body, we dedicate this third edition of SAGA.

Mr. Frederick Fisher has warmed the hearts of all who have come into contact with him. As an ambassador of good will, he has continually given guidance to those who have asked for it; and has extended a helping hand to those in need of it.

Mr. Fisher's contributions to Blackford's three year history have been numerous. As a science teacher, as a counselor, and as a photography advisor, Mr. Fisher has been of great help to many students. His comments on many school activities and to the various school organizations have enlightened the minds of many a student. His quick wit has lightened many tasks.

Mr. Frederick Fisher will never be forgotten by any of us. The memory of his influence and friendliness will long remain in our hearts.

From the Superintendent:

May I congratulate the student body of Blackford High School, in behalf of myself and the Board of Trustees, for the successful year which is reflected in these pages. You have maintained high standards of performance both in academic fields and in a variety of activities. With the spirit of loyalty and cooperation which is daily demonstrated in your school, you are building fine traditions for the future students.

It is our hope that the lessons and experience which you have shared here at Blackford High School will contribute to your success and happiness in your future years.

SILVIA GIUNTA— OUR FOREIGN EXCHANGE STUDENT

As I find this year drawing to a close, I want to stop for a minute and remember every little moment I have spent with you. I will always remember the first day of school and how eager I was to make you like me. I shall think often of the football games, pep rallies, slumber parties, picnics and especially of my most wonderful birthday. Of course my fondest memories will be of your many kindnesses to me.

I have learned many things during my visit in America. I have changed from a suit and high heels, to burmuda shorts and tennies, I can now understand your slang, I have come to accept the Beatles and the Beach Boys, and I have even mastered the art of cutting in the lunch line without getting caught. Seriously, I have learned of the American generosity and thoughtfulness, and I hope you will not mind letting an Argentine citizen share a little portion of the love you have for your country and a little of the sadness you bear in the death of your great President.

At this time I would also like to thank Mr. Romer, Mr. Russell, Mr. Cunningham, my teachers, and Mrs. Gillette who helped me so much and so often during this year.

So, I will not say good bye to you, I will leave you only with your promise that one day you will visit me in Argentina. I will only say thank you and, until we meet again, remember me as I will you.

Always,
Silvia

RUNDOWN 1963

On Friday, September 26, the 1963 Braves began their non-league season by playing highly favored Palo Alto. The hardhitting opponent scored 33 points to the Braves' 7.

Blackford lost its first night game of the year by dropping their October 4 contest to Watsonville by a 27-14 score. Dave Rusev and Jack Rasmus each scored a Brave Touchdown.

On Friday, October 11, Campbell's Bucaneers handed Coach George Pesut his second shutout in ten years of coaching. Although a hard-fought game all the way, the Braves lost 18-0.

After three consecutive losses, the Braves managed one of the year's biggest upsets, a 14-12 win over the St. Francis Lancers. The October 18 night game began with a 60 plus yard pass play executed by Braves' quarterback Bill Sinnott and end Dick Jones to set up the first Brave tally. Nick Pisano and Bob Hewitt were Brave Defensive standouts.

Camden and Blackford battled to a 7-7 tie on Friday, October 25. Halfback Nick Pisano provided the Braves with Blackford's only score. With 22 seconds remaining in the game, Blackford's Jack Rasmus attempted a 38 yard field goal. The ball hit

the crossbar of the goalposts and bounced away leaving the contest in a tie.

Friday night, November 1, was a nightmare for the Braves. The Los Gatos Wildcats won the contest by a 44-26 score. Bill Sinnott scored two Brave touchdowns while Dave Rusev and Nick Pisano had one apiece.

A rain-threatened November 8 was a good afternoon for the Braves. Dave Rusev, Brave standout, scored three touchdowns and intercepted two passes to help defeat the Leigh Longhorns 27-0. Rusev also contributed a 76 yard run from a scrimmage to set up a Brave tally.

Saratoga's Falcons darkened a sunny Thanksgiving day for the Braves as the Falcons won 44-13. Brave halfback Dave Rusev provided a bit of sunshine when he ran back a kickoff for 80 yards and a touchdown. The Falcons were to dominate most of the afternoon, however.

The Braves finished the season on a sour note, losing to Del Mar 19-7. The Dons scored all their points in the first quarter, but the Braves could only manage 7 points throughout the remainder of the game.

Have a good time
this summer
maybe we can get together

Live!
